# TUW's Battle of the Bands Sponsorship Benefits

Market your company to hundreds of professionals in the Charleston area in one night!

As a sponsor of the 2009 Trident United Way's Professionals Division Battle of the Bands, you will have the opportunity to reach hundreds of professionals - attorneys and other legal professionals, accountants, architects, financial services professionals, engineers, public relations professionals, physicians and other medical professionals, realtors, educators, etc. Last year's Battle of the Bands had an attendance of 750 individuals!

The proceeds from the Battle of the Bands will benefit Trident United Way's Community Care Fund. Trident United Way is endeavoring to fund this event entirely from donations and sponsorships (without using any other donations).

There are several levels of sponsorships available, each with its own set of benefits. Please see the attached page for additional information on these levels.

Contact Gena Henry at Trident United Way to sponsor this event or if you have questions:
